I worked on the 6th floor today with Mr. Bill, Denny, Charles and a ~~boy~~ ^{lady} Billy ~~lady~~ Charles. Charles was outside and couldn't get back in, so I guess he went home. We worked up until about 10 minutes to 12. Then we went downstairs ~~we~~ We rode the elevator to the 1st floor and got our lunches. I went back up on the 5th with a fellow called Hank and junior ^{floor} I don't know his last name. Just after we got on the 5th floor we saw the President coming around the corner on Houston from Main street. I heard 2 shots it sounded like they came from just above us. We ran to the west side of the building we didn't see anybody. We looked ~~out~~ and saw people running and shouting. We stayed there and in a little while some officers came up.

They left and then we took the elevator to the 4th floor. We stayed there awhile and then went on out. Lee Oswald was there when I got to work this morning at 8 A.M. He fills orders and goes all over the building. I didn't see Oswald any more, that I remember, after I saw him at 8:00. I recognized him just a few minutes ago when these officers brought him in the office. Oswald has been working at the Texas School book depository for about 6 weeks.
